

BLUEBRIDGEONE

ONE • SHIP™

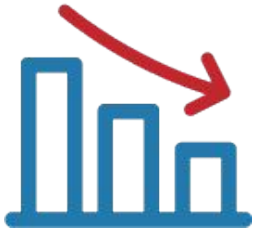

CLICK • STICK • SHIP

Connect NetSuite with UK,EU and South Africa shippers
Evri, Royal Mail, APC, DHL, DPD, DPD Local, GFS, Fedex, TNT, The Courier Guy
and more.

OneShip™ is the BlueBridge One NetSuite SuiteApp that allows you to connect to all major UK, EU and South African carriers without the expense of custom integration and lets you manage fulfilment and tracking without ever leaving NetSuite.

TAKING DATA PROCESS TIME FROM ~3 MINUTES TO SECONDS. ONESHIP CAN HELP YOU:

Reduce Costs

- Optimise shipping services & automate shipper selection
- Ship more with less resource
- Staff time better spent on higher-value activities

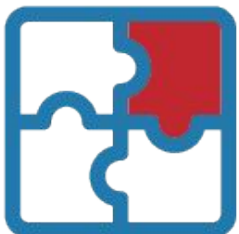

Save Time

- Remove manual copy & paste between systems
- Significantly speed up the dispatch process
- Reduce time to produce labels - from ~3 minutes per shipment to a few seconds

Improved Customer Experience

- Improve accuracy and reduce errors
- Auto notify customers on dispatch and supply tracking info
- Faster dispatch = happier customers

Simplicity

- Pre-Built connectors to 100 popular shipping providers
- Built for NetSuite certified
- Take away pain of custom integration
- Simplify export documentation

FEATURES & BENEFITS

ORDER FULFILMENT AND SHIPPING

- Connects with all major UK, EU and South African shipping carriers.
- Easy to use and intuitive NetSuite native interface.
- Print shipping labels and associated documents without leaving NetSuite in one click.
- Paperless trading supported for most shippers, eliminating the need to print physical copies of export documents.
- Respond to shipping queries quickly by tracking shipments directly from NetSuite transactions.
- Process shipments individually or in bulk.
- No more manual processing in external systems.
- Generate paper shipping documents and electronic paperless trade documents for effort free international shipping.
- Send customs and shipment data to your carrier for improved import clearance.
- Use OneShip™ service rules to automate complex carrier selection.

**Our OneShip™ Customers save on average between
£10,000 - £12,000* / R19,000 - R22,000
Each Year in shipping related costs.**

COST & INSTALLATION

ABOUT BLUEBRIDGEONE

BlueBridge One is one of the leading Oracle NetSuite Solution Provider for EMEA. As a three time winner of the Oracle NetSuite Partner of the Year award, we are the only Oracle NetSuite EMEA Partner to have attained international 5-Star status over the past seven consecutive years.

Since 2003 we were the first UK/EMEA Partner to implement NetSuite and are an accredited NetSuite Solution Partner, an accredited NetSuite Developer Network Partner and a NetSuite accredited Commerce Agency Program Partner.

BlueBridge One has been developing SuiteApps to help extend NetSuite for over 400 customers worldwide. Our customised SuiteApps help customers streamline their business, increase user productivity in NetSuite and are quick and easy to set up.

SUITEAPP CREDENTIALS

BlueBridge One were the **1st NetSuite SDN Partner** (SuiteCloud Developer Network) in EMEA, with 19 years experience of developing solutions on the NetSuite platform.

OneShip's BFN (Built for NetSuite) accreditation means our solution is rigorously tested twice a year prior to each new NetSuite release in order to maintain the BFN approval status.
